Payment Information

Thank you for paying by Direct Debit.

Average daily use (units)

This period 10.2

Same period last year 12.5

This is the total number of units used divided by the number of days in the billing period and can help you monitor how much electricity you are using.

It is not always possible to provide this information and so 'not available' will sometimes appear. Actual and estimated meter readings are treated the same.

VAT Registration Number: IE 632 60350. Registered VAT Address: The Liberty Centre, Blanchardstown Retail Park, Dublin 15, D15 YT2H

We are sorry you are leaving us. We have really appreciated your custom and hope you will consider us again in the future. Your final bill will be collected 14 days from the issue of this bill by Direct Debit.

Understanding your electricity bill

Bill page 1

ACCOUNT BALANCE

The balance on your account prior to the issue of this bill.

CHARGES FOR THIS PERIOD

Your electricity charges for this billing period. These are broken down on page two of the bill.

NEW ACCOUNT BALANCE

Your new account balance including this bill.

ennergia

CONTACT US

If you have any query regarding your bill, please get in touch with our Customer Service Team from 9am-5pm, Monday to Friday.

Web: www.energia.ie/contactus

Tel: 0818 405 405

Post: PO Box 12380, Dublin 2.

PAYING YOUR BILL

Payment is normally by direct debit and will be collected from your account on the Payment Due Date specified on your bill, which is 14 days after the bill is issued. If you need to update your bank account details, please contact our Customer Service Team on **0818 405 405**.

Our online payment service, fastpay.energia.ie, allows you to make payments to your account using a debit or credit card, which are then credited off your next bill.

Note: If you are a direct debit customer, Fastpay allows for advance payment only. Please do not use to pay a bill that has already been issued as the direct debit will lift the full bill amount.

If you are having difficulty paying your bill on time, please contact us at **0818 405 405** as soon as possible so we can work out an alternative payment arrangement.

If you have a credit balance upon leaving Energia, your credit will be refunded within 30 days. If you have not received this within 30 days please call our Customer Service on **0818 405 405**.

Estimated Annual Bill

This calculation is based on the typical annual spend of a family in a three bedroomed house (based on urban domestic consumption of 4,200kWh Electricity per annum). For day/night and nightstorage meters it's 50% Day and 50% Night, this is as per Price Comparison Websites. For SMART meters Day Off Peak is 64%, Night Off Peak is 23% & Peak is 13%.

If you require advice regarding money or budgeting, please contact the Money Advice & Budgeting Service at www.mabs.ie

SUBMIT A METER READING

Improve the accuracy of your bills and manage your costs by regularly submitting your meter readings, unless you have a SMART meter that is remotely read. Instructions on how to read your meter can be found on our website. Please have your bill with you for reference when you submit your reading:

Web: www.energia.ie/meter-read

Tel: 0818 405 405

MOVING HOUSE

If you are moving house you must contact us and supply a final meter read and a forwarding address. This will help ensure that you receive an accurate final bill once you have left the address. If you can't provide an up to date reading we will estimate your usage for your final bill.

CUSTOMER COMPLAINTS

We are committed to providing our customers with the highest standard of service. If however you have a complaint, please contact our Customer Service Team. Our Code of Practice for handling customer complaints is available on our website at www.energia.ie/cop

If having completed the complaints process with us you are not satisfied, you may refer your complaint to the Commission for Regulation of Utilities (CRU):

Customer Care Team

Commission for Regulation of Utilities

ENVIRONMENTAL IMPACT INFORMATION

Electricity supplied by Energia has been sourced from the following fuels (Disclosure Label applicable period Jan – Dec 2020)

Electricity supplied has been sourced from the following fuels:	Electricity supplied by Energia (Ireland)	Average for All Island Market (for comparison)
	% of total	% of total
Renewable	100.0%	57.9%
Natural Gas	0.0%	35.8%
Peat	0.0%	2.1%
Coal	0.0%	3.0%
Other	0.0%	1.2%
Total	100.0%	100.0%

Environmental Impact

CO2 Emissions	0 g/kwh	236g/kwh
---------------	---------	----------

Energia now offers green source products which is likely to change your fuel mix when compared to the supplier fuel mix shown. For information on your fuel mix and on the environmental impact of your electricity supply visit energia.ie or, for further details call **0818 405 404**.

TARIFFS, TAXES & LEVIES

Detailed information on all tariffs and charges relating to your account is available on our website www.energia.ie

For information on price comparison websites and alternative supplier tariffs, please visit www.cru.ie/home/switching-supplier

Electricity Tax: Electricity tax is charged at the appropriate rate in accordance with the EU Energy Tax Directive and Schedule 1 of the Finance Bill 2010.

PSO Levy: The PSO levy is related to renewable electricity supports and is key in enabling Ireland to meet its national targets in terms of the generation of electricity from renewables and aligns with the CRU's vision of achieving a secure, low carbon future.

VAT: Value Added Tax is added at the appropriate rate.

FAULTS & EMERGENCIES

ESB Networks provide 24 hour emergency numbers. In the event of loss of electricity supply, voltage dips or technical enquiries, you may contact ESB Networks on **1800 37 29 99**. Please quote your MPRN number found on the front of this bill.

VULNERABLE CUSTOMERS

If you are critically dependent on electrically powered equipment or have other special requirements, you may wish to register as a vulnerable customer. For further details, please see our Vulnerable Customer Code of Practice at energia.ie/cop or call us on **0818 405 405**. If you are currently registered as vulnerable but your circumstances have changed, please contact us.

ENERGY EFFICIENCY

Energia is licensed by the Commission for Regulation of Utilities (CRU), Ireland's independent energy and water regulator. Energia strives to remain affordable and a leading provider of sustainable energy. For details on how to save energy and reduce your bills see www.energia.ie or www.SEAi.ie. For more information, see also www.seai.ie

For technical specifications for energy using appliances the SEAI Website can also be consulted www.seai.ie

HINTS AND TIPS

1. **Turn your thermostat down** by just 1° and you could cut your overall heating energy usage by up to 10%!
2. **LED lightbulbs** are a great energy efficient upgrade and last longer than normal lightbulbs
3. If you have a SMART meter, or day/night meter, use as much of your energy consumption during the night as possible rather than at peak time of 5-7pm.
4. Showers are 5 times more energy efficient than baths.
